

**GURU HARKRISHAN PUBLIC SCHOOL
HARGOBIND ENCLAVE, DELHI – 110092**

Cir No.

Circular for Primary

31.03.2020

Dear Parents,

This is a tough time the whole world is going through, we all understand how grave the situation is. All of us are alert, staying indoors and sanitising well. At the same time the school does not want to lose touch with its children. The Teachers are reaching out to your ward through the Skolaro App and WhatsApp regarding various resources available to ensure that your ward's learning journey remains uninterrupted during this lockdown period. (We hope you have signed in to the Extramarks Learning App). Soon they will be sharing planned study material daily. Please help your ward complete the allotted tasks (guidelines will follow). This is the best time to help the children visualise the concepts rather than just mugging them.

The fast pace of our lives limited the time we could spend with our kids. Help the kids Meditate and spend quality time with them. Both are positive ways of spending time while keeping our families safe.

Please make them lend a helping hand with household chores to help them incorporate essential life skills.

Darker the night, brighter is the dawn so all bad times will end. Let us all pray together for prosperity and health for all.

Harpreet Kaur
Principal
