"When faced with a challenge , let us all look for a way and overcome it"

Dear Parents,

In these critical times of the global pandemic, GHPS, Hargobind Enclave Fraternity rose up to challenge the situation as we all strongly feel that in Education alone lies the solution for any adversity. The teachers have been providing students with an opportunity to carry on with their studies during these turbulent times. Virtual Platforms (Video Lessons /YouTube videos/PPTs/ Online Classes/ Web resources/Worksheets etc.) are being used to ensure that students remain connected to learning and that also in a way which is not stressful.

The students are being engaged in online contests to keep up their spirits and are also being regularly guided to stay healthy.

Your support and cooperation in supporting the tireless efforts of the teachers are acknowledged and appreciated. We further request you to help make these endeavours successful by

- Setting up a designated study space for your ward.
- Checking requirements for online classes
- Ensuring that your child attends the classes regularly.
- Be in virtual touch with your ward's teachers
- Encouraging and motivate the children
- Checking the CBSE circulars shared with you from time to time

We value the support of all parents and reassure all that we will continue to give quality support to our students as always. We once again request all of you to pay fee in time to ensure smooth functioning of the school and timely release of salaries as our school is committed to protect the interest of every stakeholder.
