

## 16 SCHOOL UNIFORM

Wearing of the uniform is not only a ritual but a very sacred thing which brings about oneness amongst the children and responsibility in their attitude. To maintain the uniformity of shades, designs and materials, the parents are advised to buy the uniform from the school shop only. Procuring and wearing a proper school uniform as well as its maintenance needs optimum attention from parents. The uniform should be clean and the shoes polished every day. Parents are requested to co-operate with the school and see that their ward comes to school dressed neatly in the specified school uniform. (As per sample displayed in school uniform shop) **A child can be sent back home if improperly dressed.**
